

VR THEME PARK TURNKEY SOLUTION PROVIDER

GUANGZHOU XIECHUANG CULTURE MEDIA TECHNOLOGY CO., LTD

NEW ARRIVALS:

INTEGRATING THE ORBITAL FLIGHT RING
SCREEN TO CREATE A NEW OUTLET

MINI ORBITAL CINEMA

Exclusive originality,
Online celebrity check-in hot spots,
Eye-catching and high-efficiency!

MULTIPLAYER INTERACTIVE ONLINE COMPETITION,
NEW EXPLOSIVE SHOOTING THEME

VR SNIPER HERO

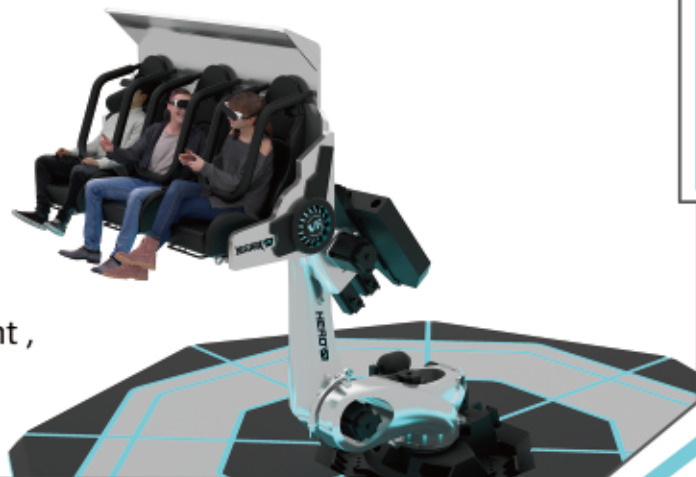

National networking,
Realistic somatosensory equipment,
Self-service operation,
Cloud connection global battle

THE WORLD'S FIRST VR ROBOTIC ARM
AMUSEMENT RIDES

VR ROBOTIC ARM

High-speed,
Action-packed VR experience entertainment,
utmost safety and maximum fun!!

VR TURNKEY SOLUTION:

A turnkey solution provider for immersive entertainment experience.

PRODUCT INTRODUCTION :

We all hope the innovation of HEROVR will win you unlimited business opportunities in VR market in all time and place !

MINI ORBITAL CINEMA

Immersive naked-eye
3D viewing

PRODUCT PARAMETERS

Product size: 7690mm*3920mm*3050mm
Product weight: 2800KG
Player: 6-8
Product power: 10000W
Product Voltage: 220V/100V-360V

VR SNIPER HERO

Multiplayer interactive
online competition.

PRODUCT PARAMETERS

Product size: 1000mm*480mm*2210mm
Product weight: 115KG
Player: 1
Product power: 370W
Product Voltage: 220V/100V-360V

VR ROBOTIC ARM

High-speed, Action-packed
VR experience

PRODUCT PARAMETERS

Product size: 6000mm*6000mm*4000mm
Product weight: 1277KG
Player: 1-3
Product power: 10000W
Product Voltage: 220V/100V-360V

VR STAR DESTORYE

Cool design
Multi-players high profit

PRODUCT PARAMETERS

Product size: 3450mm*3450mm*2300mm
Product weight: 1400KG
Player: 5
Product power: 2500W
Product Voltage: 220V/100V-360V

VR SPACESHIP

High profit
Multi-players attracts

PRODUCT PARAMETERS

Product size: 3940mm*3600mm*2600mm

Product weight: 860KG

Player: 6

Product power: 2500W

Product Voltage: 220V/100V-360V

VR 360° ROTATION

Thrilling Game
360 degree rotation

PRODUCT PARAMETERS

Product size: 1500mm*2100mm*2150mm

Product weight: 690KG

Player: 2

Product power: 3000W

Product Voltage: 220V/100V-360V

VR BUNGEE

Thrilling and exciting
adventure games

PRODUCT PARAMETERS

Product size: 2400mm*1500mm*3000mm

Product weight: 400KG

Player: 1

Product power: 2500W

Product Voltage: 220V/100V-360V

9D VR CINEMA

Cost-effective investment
Copyright rich contents

PRODUCT PARAMETERS

Product size: 2200mm*1100mm*2200mm

Product weight: 360KG

Player: 2

Product power: 2500W

Product Voltage: 220V/100V-360V

THREE-SCREEN RACING CAR

6 dof Racing Seat
Simulator Motion

PRODUCT PARAMETERS

Product size: 2200mm*2300mm*1800mm

Product weight: 750KG

Player: 1

Product power: 3000W

Product Voltage: 220V/100V-360V

VR SPEED RACING

Thrills and speed of
high-octane racing

PRODUCT PARAMETERS

Product size: 1900mm*2460mm*1900mm

Product weight: 400KG

Player: 1

Product power: 1100W

Product Voltage: 220V/100V-360V

MECH SNIPER

Simulating real shooting
experience.

PRODUCT PARAMETERS

Product size: 1100mm*2640mm*2350mm

Product weight: 410KG

Player: 4

Product power: 700W

Product Voltage: 220V/100V-360V

VR BATTLEFIELD

Perfect for a teamwork battle
small footprint high ROI

PRODUCT PARAMETERS

Product size: 2220mm*2700mm*2600mm

Product weight: 320KG

Player: 2

Product power: 800W

Product Voltage: 220V/100V-360V

VR CAPSULE

Cost-effective investment
small footprint high ROI

PRODUCT PARAMETERS

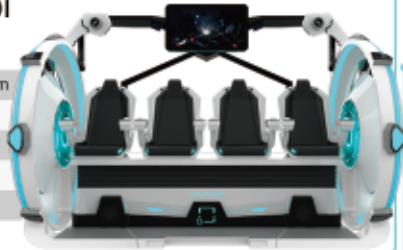

Product size: 4100mm*2100mm*2450mm

Product weight:500KG

Player: 4

Product power:3000W

Product Voltage:220V/100V-360V

VR HELICOPTER

Flying shooting game
Children products

PRODUCT PARAMETERS

Product size: 2550mm*1440mm*2250mm

Product weight:310KG

Player: 1

Product power:1600W

Product Voltage:220V/100V-360V

VR DANCING

Popular music and
dancing games

PRODUCT PARAMETERS

Product size: 1800mm*1500mm*1400mm

Product weight:320KG

Player: 1

Product power:800W

Product Voltage:220V/100V-360V

ATTENDANT-FREE VR SPACE

Self-service VR shooting
game platform

PRODUCT PARAMETERS

Product size: 1100mm*1600mm*2300mm

Product weight:190KG

Player: 1

Product power:500W

Product Voltage:220V/100V-360V

VR BEARBABY

Puzzle game for children
safety entertainment

PRODUCT PARAMETERS

Product size: 750mm*700mm*1100mm

Product weight:25KG

Player: 1

Product power:500W

Product Voltage:220V/100V-360V

AR AUGMENTED REALITY

AR Somatosensory
interaction type

PRODUCT PARAMETERS

Product size: 2700mm*1800mm*2300mm

Product weight: 130KG

Player: 1

Product power:1500W

Product Voltage:220V/100V-360V

VR SPACE WALKING

Thrilling game content
Interactive experience

PRODUCT PARAMETERS

Product size: 3300mm*3600mm*2600mm

Product weight:400KG

Player: 1

Product power:600W

Product Voltage:220V/100V-360V

VR FIGHTER

Multiplayer Battle
Simple operation

PRODUCT PARAMETERS

Product size: 3900mm*2750mm*2400mm

Product weight:550KG

Player: 4

Product power:1500W

Product Voltage:220V/100V-360V

COMPANY PROFILE

XieChuang Culture (HEROVR) is a high-tech company specializing in the R&D of VR software, hardware, and content. We are committed to serving the global consumer and commercial market with our high-end VR hardware products and advanced cloud VR solutions.

VR Entertainment -- Naked-eye 3D suspended theater VR Robotic Arm -- Orbital ring screen theater

HEROVR has a modern standard production base of 8000 square meters. With years of experience in virtual simulation technology, the products released have covered all types of entertainment experiences: 5D/7D cinemas, VR extreme sports, Kids VR puzzle devices, VR flight simulations, GT racing dynamic simulation devices and more.

HEROVR focuses on 4 major areas: VR entertainment experience, orbital ring screen theater, VR science education, naked-eye 3D suspended theater, and dozens of explosive products lead the market. As a turnkey solution provider, HEROVR has nearly 2,000+ offline entertainment experience stores in more than 100 countries around the world, we bring a quick ROI with efficiency operation and high throughput.
